Ms. Chappel,

I am following up on the public records request I submitted on 28 June 2026 regarding its automated license plate reader (Flock/ALPR) records. As of today, I have not received the records or a response.

North Carolina's Public Records Law requires public records to be produced "as promptly as possible" (N.C. Gen. Stat. § 132-6(a)). More than two weeks have now passed. Please let me know the current status of the request and the date by which I can expect production. If any portion is being withheld or redacted, please identify the specific statutory basis for each.

If it would speed production, I am glad to clarify or narrow the request. Thank you for your attention to this matter.

With all best wishes,

~Mark
